How to Help your Child...

Please listen to your child read, practise number bonds and spellings and support with project home work.

How we can Help You

If you have any questions or queries, please do not hesitate to come and speak to us at the end of the day.

Your contact is Mrs Waters

Visits out of School and Visitors in School

Educational visits are an essential part of the curriculum.

Library and local walks, Morrisons bakery, fire officer visit.

Literacy:	- We will be doing role play and writing stories based on The Little Red Hen. Also recipes, diary entries and information all linked to our project.
Numeracy:	- Place value, addition, subtraction, problem solving and using money. Measurements in project when baking bread.
Project:	- The children will be working towards creating a recipe booklet to sell. After investigating the past, they will be showcasing their Great Fire of London work to other classes. The children will learn how to prevent fires and stay safe. We will be exploring materials and seasonal change in the local area.
The arts:	- We will be creating different models, puppets and images of characters and houses using paints, collage and pencils. We will investigate colour and mixing paint.
PE:	- Badgers will be working with Mr Pollard in PE

Please Note - All pupils must change for PE.

Y1&2 Sandshoes/trainers, black shorts, white T-shirt and tracksuit bottoms for outdoor sessions.

Please can children bring named P.E kits into school and leave them in lockers for the half term.

No jewellery may be worn for school.
