

Panda Class –

What are the mysteries of the universe?

Choose 3 tasks a day (literacy, numeracy and project) and upload to See Saw - complete on paper or an ipad/computer

Literacy	Numeracy	Project	Home fun time - no need to upload - just enjoy!
Write an adventure story about a journey into space. See the check list in literacy resources on SeeSaw	Can you complete the 2 times table work sheet in the maths resources folder on seesaw	Design a planet – draw/ paint/ label/ make. Take a picture and upload to Seesaw. Write a short paragraph to describe the planet.	Can you create your own secret code?
Research the different planets. Create fact files for each planet. See the literacy resources for a frame. (This can take 5 days)	Can you create a song or rule to remember the 2 times table?	Design an alien to live on your planet – draw/ paint/ label/ make. Take a picture and upload to Seesaw. Write a short paragraph to describe the alien.	Start a nature diary - look out of your window each day and keep a note of what you see... birds, flowers, changes in weather...
Research who has been to space. Who has landed on the moon? What are the names of the missions?	Create your own T and O + T and O questions. Challenge HTO + HTO. Ideas in Maths folder on Seesaw	Design a aliens home– draw/ paint/ label/ make. Take a picture and upload to Seesaw. Write a short paragraph to describe the home.	Hold a photo session... use a camera or a mobile phone to take some snaps. What will you photograph.. your pets? Or toys?
What 10 things would you take with you into space? Why?	Practise using different coins at home and at the shops.	Design a buggy to move around the planet– draw/ paint/ label/ make. Take a picture and upload to Seesaw. Write a short paragraph to describe the buggy/car.	Get building – build a tower! You could build a Lego model/ tower of playing cards or something else.

Literacy	Numeracy	Project	Home fun time - no need to upload - just enjoy!
Use one of the pictures from the resources. Write a description of the picture.	Create your own <, > and = sentences.	Design and make a rocket to get to the planet. Describe the journey to the planet and your first thoughts and feelings about seeing it.	Get Sketching – Find a photograph or picture of a person, place or object and sketch it.

BASIC SKILLS

Daily practise on Times Tables Rockstars and Sumdog.

Practise your keywords – read them/ spell them/ ask an adult to test you.
