

Welcome to your home learning book!

This book is a place where you can record your home learning journey if it becomes necessary to close the school.

Your teachers are creating weekly task sheets; they will be uploaded to our school website - <https://www.grasmereacademy.org.uk> they are under the home learning section. Your first weekly task sheet is also stuck in your home learning book. You can decide how you want to record your work it might be using an iPad/ tablet or you might prefer to put everything in your workbook. We'd really like to see what you've been up to and give your work some feedback, so, if you can, please take photos and upload them to Seesaw. Teachers will then be able to comment on your work and give feedback. Please go to the website each week to access your new weekly task sheet.

If you're keen to do some extra challenges here are some ideas:
