Our project	<p>'Why and where could we hide in a medieval castle?</p> <p>Our project this term will continue to have a big focus on History, how past events influence the future. We have started the term with investigating different castles around the UK and learning about William the Conqueror. The children will investigate the clothes, armour and weapons used in medieval times and will finish the project with a Medieval day in the classroom and a castles workshop. We will also be looking at the crops that might have been grown in a castle's gardens.</p>
How can we help you...	<p>Due to covid 19 restrictions we still have to limit face to face contact between staff and parents. If you have any problems or concerns please do not hesitate to email me, kayley.garside@ntlp.org.uk or call the school office on 0191 222 0259 to book a telephone conversation.</p>
Homework grids	<p>We will be continuing our homework on SeeSaw using the new simpler grid. Please log into SeeSaw to see your child's homework. If possible, please upload finished homework onto seesaw and press the 'homework drop in' folder. Your child will receive dojos for this.</p>
How to help your child...	<p>Please listen to your child read, talk about their books and read to them, practise spellings and times tables.</p>

Thank you for your support
