

Grasmere Academy Values and British Values

“

Democracy: - Pupil and parent voice is very important to us and a regular feature within our school. Children take part in votes for the school parliament and this year we are planning a special “parliament week” linking with the NT council young Mayor and Parliament.

Rule of Law – Our Golden Rules and Mission Statement are central to the running and day to day organisation of our learning community.

Individual Liberty: Our community are free to express their opinions and feelings in a well structured debating format. Our PHSE curriculum helps drive the themes and issues that children are asked to discuss. Assemblies and the SEAL themes, help to add to this.

Mutual Respect: Our Golden Rule ***“we show respect for others their property and opinions”*** encompasses mutual respect for all.

Tolerance of different faiths and beliefs: At Grasmere Academy we celebrate uniqueness and individuality, talents and diversity, opinions, faiths and religions. Every member of our community shows acceptance and tolerance for these differences and celebrate what they add to our learning.
