

Year 1/2 Spring 2020 - Easter holidays

Here are some ideas to keep you busy in the Easter Holidays. For these activities you can still post on Seesaw however I will not be giving feedback.

Enjoy and have lots of fun. Stay home, stay safe and save lives!

Create an Easter picture of new life, spring flowers, chicks and baby rabbits.	Find out about the Easter story	Watch a favourite movie and eat some Easter chocolate	Make a den with duvets and blankets
Decorate an egg	Draw a cartoon sequence of the Easter story.	Create Easter cards for people in your house	Help your family cook a delicious meal
Create cardboard shaped Easter eggs and decorate.	Bake some Easter treats	Create an Easter board game	Make a wish list for things you want to do when the world goes back to normal
Create an Easter hunt around the house or in the garden with your card eggs.  Hide clues for someone in your family to follow.	Play in the garden... a lot!	Draw a flower from the garden	Record the weather every-day.  How many sunny days did we have in 1 week?
Tidy your room so the Easter Bunny doesn't see a mess!	Read a Book... or play book bingo (see seesaw)	Wear your pyjamas all day!	On a rainy day, go in the garden and splash in the puddles.
